Whereas the Count De Cornelissen of Brussels the person Assured by this Policy, has proposed to effect an Assurance with the above-named Society upon the Life of Charles Fabius Augustus Thelluson of Old Steyne, Brighton. Esquire for the whole duration thereof in the sum of One thousand two hundred pounds and has delivered at the Office of the said Society, a Proposal and Declaration signed by himself dated the sixth day of April One Thousand Eight Hundred and fifty one stating, amongst other things, that the age of the said Charles Fabius Augustus Thelluson did not then exceed thirty years, which Proposal and Declaration, together with the Statements made relating thereto, the said Assured hath agreed shall be the basis of the contract between him and the said Society.

And whereas the Directors of the said Society, relying on the truth of such Proposal, Declaration, and Statements, have undertaken the proposed Assurance, at the Annual Premium hereinafter mentioned.

And whereas the said Assured has paid to the said Society the sum of Twenty nine pounds twelve shillings as the Premium for such Assurance, for the period of Twelve calendar months, commencing on the day of the date hereof, and ending on the twenty ninth day of April One Thousand Eight Hundred and fifty two both inclusive.

Now these Presents Witness and Declare, that if the said Charles Fabius Augustus Thelluson shall die before or upon the twenty ninth day of April One Thousand Eight Hundred and fifty two or shall live beyond such day, and the said Assured, his executors, administrators, or assigns, shall on or before the thirtieth day of April One Thousand Eight Hundred and fifty two and on or before the same day in every subsequent year, during the life of the said Charles Fabius Augustus Thelluson, pay to the said Society the Annual Premium of Twenty nine pounds twelve shillings then and in such case the funds of the said Society, chargeable therewith by virtue of the Deed of Settlement of the said Society, shall, according and subject to the provisions of the said Deed of Settlement, be liable to pay to the said Assured, his executors, administrators, or assigns, within Three calendar months after proof satisfactory to the Directors of the said Society shall have been given of the death of the said Charles Fabius Augustus Thelluson the sum of One thousand two hundred pounds together with such further sum or sums as under the said provisions of the said Deed of Settlement may have been apportioned as a Bonus to this Policy in addition to the sum hereby assured.

Provided always, and these presents are granted upon this express condition, that if any fraudulent misrepresentation or false allegation shall be found, or any wilful concealment or wilful omission shall have been made in the Declaration or Statements hereinbefore referred to either as to the age of the said Assured, or any other matter therein contained, then this Policy shall be null and void.

Provided also, and it is hereby expressly agreed and declared to be the true intent and meaning of these presents, that the funds of the said Society for the time being, chargeable as aforesaid, remaining unapplied and undisposed of and inapplicable to prior claims and demands, in pursuance of the trusts, powers, and authorities contained in the said Deed of Settlement, shall alone be answerable for any demand to be made under this Policy, and that no Director, Member, or Shareholder of the said Society shall, upon any account or pretence whatsoever, be subject or liable to any demand in respect hereof, nor shall the said Assured, his executors, administrators, or assigns enforce any judgment, decree, or order, which he or they may obtain in respect of this Policy, against the person, property, or effects of any Director, Member, or Shareholder of the said Society in respect thereof, over or beyond the amount of his or her obligations to the Society in respect of the said funds so chargeable as aforesaid, whether the whole of the Shares in the capital stock of the said Society shall have been subscribed for or not, and whether the whole of the capital of the said Society shall have been paid up or subscribed for or not.

Provided also, that this Policy, and the Assurance hereby effected, shall at all times and under all circumstances be subject to the several conditions and stipulations endorsed hereon, in the same manner as if the same were here actually repeated.

In witness whereof, the undersigned, three of the Directors of the said Society, have hereunto set their hands and the Common Seal of the said Society this thirtieth day of April One Thousand Eight Hundred and fifty one

CONDITIONS OF ASSURANCE.

1. PERSONS proposing Insurances must give the particulars required by the printed forms of Proposal, and must sign the forms of Declaration annexed thereto; and if any fraudulent or untrue statement be contained in such Proposal or Declaration, or if any material information be withheld which ought to be communicated, the Policy will be void, and all the Premiums paid thereon will be forfeited to the Society.

2. No Policy will remain in force more than thirty days after the period fixed for the payment of the Renewal Premium, unless such Premium shall actually have been paid, and the printed form of office Receipt, signed by two Directors of the Society, and countersigned by one of the clerks or agents, given; but any Policy may be revived within six calendar months, on payment of a fine of ten shillings per cent. on the sum insured, provided proof be given, to the satisfaction of the Directors, that the health and habits of the person on whose life the Insurance was granted, remain good and unchanged.

3. Policies will become void if the party or parties whose life or lives has or have been the subject of Insurance shall go beyond the limits of Europe, or shall die on the high seas, (except in passing to King's Ships, or Buoys, or Passage Vessels, being wholly decked, or in Steam Vessels from any one part of the United Kingdom of Great Britain and Ireland to any other part thereof, including Guernsey, Jersey, Alderney, Sark, and Man; or in passing direct, during peace, by a similar conveyance, from and to any port in the said United Kingdom, to and from any port between Hamburg and Brast, both inclusive) unless special permission shall have been granted by the Directors, in their discretion, on payment of such extra Premium as the Directors may deem adequate to the risk incurred: or shall, without such consent, enter into or engage in any Military or Naval service whatsoever.

4. Policies effected by persons on their own lives shall become void if such persons die by their own hands, (whether man or woman), by the hands of justice, or in consequence of a duel; but the Directors will in any such case, provided the Policy shall not have been assigned, allow to the widow or children of the Insured such sum as the Society would have given for the surrender of the Policy on the day preceding the death of the Insured; and in case such Policy shall have been assigned by way of security for money owing by the assignor to the assignee, and notice of such assignment shall have been left at the head office of the Society, at least three calendar months previous to the death of the Insured, the Directors will allow to the assignee such amount as shall remain due to him under such assignment as may be otherwise irrecoverable, but not exceeding the sum insured.

5. In every case in which a Policy shall become void, all monies which shall have been received by the Society on account thereof, and all additions made to such Policy, shall be absolutely forfeited to the Society.

6. Upon the death of any person upon whose life an Insurance has been granted by the Company, the claimant shall give proof of such death, and such evidence respecting the time, place, and cause thereof, as the Directors may reasonably require; and shall also give satisfactory evidence of the date of birth of the person or persons on whose life or lives the Insurance was made, unless the age or ages of such person or persons shall appear by the Policy to have been admitted. Claims on the Society will be paid within three calendar months from the time of receipt, by the Directors, of the required proof, subject to the proviso last within mentioned.
